

# WAYNE HIGH SCHOOL

## TSSA Plan 2021-2022

**September 30, 2021**

1. Wayne High School will use the funds allocated from TSSA for supplemental classes as designated in Wayne School District Student Success Framework.
2. Supplemental classes implemented- The classes added will provide additional support to our students and address Goal #2 of the district TSSA plan, Culture of Learning- Excited and Engaged Dreamers. We will use our allocation of \$34,330 to support double blocking our Math 1 and 2 classes and providing a study skills course to provide additional time and mentoring for students to complete assignments.
3. Wayne High School will review the courses we are offering through this program to determine the effect on student engagement and performance.
